

# Long Term Care Insurance Disclosure

I have had the benefits of long term care insurance explained to me by \_\_\_\_\_ and understand that long term care insurance may be my best option for providing funding and protection in situations where I may need the benefits of home care, assisted living, or skilled nursing (convalescent home care).

Understanding the above, I have chosen not to purchase long term care insurance, either due to its cost, my particular health issues, or my feeling that it is not appropriate for me at this time.

I further understand that any planning I execute outside of insuring my long term care risk may or may not result in protecting my assets from this liability. I am choosing not to act on the advice of \_\_\_\_\_ and release them from the liability associated with this risk.
